

# German Manufacturers in the USA Further on Downswing

(Automobilwoche, 23<sup>rd</sup> edition, 3<sup>rd</sup> November 2008)

## Content:

In September, the German vehicle constructors have lost 17,6 % on the US-market compared to September 2007. The entire market decreased by 26,6 %. Only Daimler can present an increase of 8,4 % in the sales balance of the first nine months.
