### Your Future in Our Company – Make Career with Us

Only the one who fulfils his / hers job with passion and enthusiasm can be really good in his / hers specialization. Are you ready to materialize your visions together with us?

We are developing and carrying out together with our world-wide customers within the foundry industry innovative solutions along the value-added chain – and this, always with the aim of exceeding our customers' high expectations.

Thus, our high-professional project teams are developing new products, new foundries and market strategies, are accompanying our customers at the realizations, at the shop floor or as interim manager and are supporting the implementation of innovative programmes for lowering the costs and increasing the productivity.

We develop solutions, find strategies and contribute actively at ensuring our clients in the global market.

Are you interested? Can you offer us at least 2 years industry experience, do you convince through exceptional analytical and conceptional competencies and inspire us by means of your specialized know-how, do you speak at least one foreign language and do you have developable computer knowledge? Then we would be pleased if one of the advertised positions appeals to you.

**We are looking forward to receiving your personal application and perhaps we can soon welcome you in our team!**

Exclusively due to better legibility reasons, only the masculine gender is being used at the job description. However, all legally accepted genders are being spoken of.

## **Current Job Offers at Krapohl-Wirth**

### **Career: Specialist**

Our competence centre industrial engineering is advising the top management of leading international companies.

Within the worldwide increasing demands for Greenfield-solutions from one source, we are facing the challenge of planning, implementing and starting up several world-class steel foundries in the next years summing up approx. 180.000 t good ware cast.

Are you ready to materialize your visions together with us in the international field?

Do you have the heart to jump ahead and to abandon established tracks?

You are still in the second line and you possess at least 2 years foundry experience, ideally as:

**Steel Cast Specialist** (m/f/d)

**Cleaning Shop Specialist** (m/f/d)

We would be very pleased to receive your application documents, which are to be sent exclusively via email to the attention of Mrs Smaranda Janosch, Assistant of the Executive Board, at **[s.janosch@kwcg.de](mailto:s.janosch@kwcg.de)**
